INT. EMPTY ROOM - DAY

A small, dimly lit room with bare walls. A single chair sits in the middle.
The atmosphere is tense.

JANE (30s), nervous yet determined, enters and sits.

JANE

This is it. No turning back now.

She takes a deep breath, steeling herself.

JANE (CONT'D)

I have to face whatever comes.

The door creaks open slowly. A shadowy figure appears.

MYSTERIOUS FIGURE

You've finally arrived.

Jane looks up, eyes wide.

JANE

Who... who are you?

The figure steps forward, revealing a calm, confident smile.

MYSTERIOUS FIGURE

Someone who has been waiting a long time to meet you.

The camera zooms in on Jane's face, a mixture of fear and resolve.

FADE OUT.
